

BUSINESS UPDATE

September 2021

August Chamber Breakfast

Despite numbers having to be limited due to Covid-19 restrictions those attending the August Chamber Breakfast heard presentations on the Upper Hunter Economic Development Corporation (UHEDC) and The Melt Hunter Valley.

Fiona Plesman, GM Muswellbrook Shire Council outlined the establishment and goals of the UHEDC whilst Trent Bagnall CEO from the Melt outlined the history and establishment of the Melt here in Muswellbrook.

A number of businesses that have benefited from working with the Melt also spoke about their products and their experience with working with Melt, and how they have helped them take their innovations to market.

Special thanks to
Muswellbrook Race
Club for hosting the
event and to their new
caterers ,the
Stone & Wood
Restaurant.

**Due to the uncertainty surrounding Covid-19 lockdowns and restrictions,
and in the interest of public health,
our September Breakfast has been cancelled.**

Dear Members & Colleagues,

How often have you heard the expression –“there are no friends in business.” Well, I have heard it often and most of us have probably had experiences where we were disappointed or mistaken about our relationship with business associates, customers or suppliers. However, I think it’s worth examining this a little further.

John D. Rockefeller once said – “A friendship founded on business is better than a business founded on friendship.” I’ll come back to that in a minute.

I have found that many people believe that business is warfare and prominent entrepreneurs and business coaches sometimes state that there are no friends in business. It is true that not everyone in business should be considered a friend. However, the no friends in business broad statement suggests that having friends in business breaks some sort of moral or commercial code.

We would all like to consider ourselves as a friend in business. To have a business that is not only well run but mindful of the people we deal with. Respecting their right to ethical trading, fairness & friendliness is a good basis for building friendships. Business is simply defined as the practice of making one’s living by engaging in commerce. So, why should it be that by engaging in commerce we cannot make friends. If someone leads with the ‘no friends in business’ ideology then you might reconsider collaborating, partnering or supporting that business.

Thankfully, in Muswellbrook, we have many businesses with a strong sense of community pride and a willingness to support each other through local procurement, employment and with friendly service. Through the COVID-19 pandemic we have seen evidence of this and the Chamber is doing it’s best to connect businesses and support those suffering most.

Please take note of all the information and news in this Newsletter, especially the Locals Supporting Locals program we are launching this month. Please contact Wayne Toms with your offers of support or your need for support to get you through the coming months. This program gives us all an opportunity to express our concern for struggling businesses, build on old friendships and perhaps create new friendships.

I think John D. Rockefeller had it right. By creating connections founded on business, we can build a rapport with like-minded people who can become lifetime friends.

Yours sincerely,

Mike Kelly
President

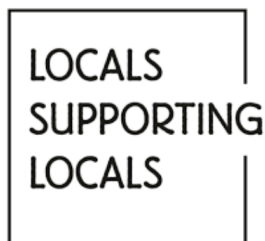

OUR MISSION

‘To represent, promote and encourage business enterprise in Muswellbrook and its districts’.

With the lockdowns now being extended their impacts are now beginning to take their toll.

In our area we are seeing three levels of financial impact.

Minimal – Essential business and the businesses that support them.

Moderate – Those businesses that are closed to the public but continue to trade online via click and collect, or those that are doing takeaway and delivery. (reduction in income and just surviving)

Significant – Those that have no choice but to close their doors and who have no alternate method of servicing customers. (no income at all)

CARE PACKS

To assist struggling business owners and their families, the Chamber is initiating a ‘Locals Supporting Locals’ campaign. Care Packs will be put together from purchases of products and gift cards from those at level 2 (Moderate) for distribution to those at level 3 (Significant). By doing it this way, it is a multi-layered support campaign, assisting both those at the Moderate and Significant levels at the same time.

Although the ‘Gift Packs’ will not be life changing, they will provide a small financial relief to ease some of the pressures, but more importantly, they will provide a much needed morale boost to those doing it tough. With many trying to cope financially whilst in isolation, and with Fathers Day just around the corner, the Locals Supporting Locals campaign will send a message that their community has not forgotten them.

How you can help.

Donations are being collected by the Chamber who will then purchase the vouchers that make up each of the gifts packs for distribution to the identified recipients.

The Chamber is kicking off the campaign with a \$2,000 donation to get things started.

AGM

Annual General Meeting

2021 Annual General Meeting

The AGM for the Chamber was recently conducted at the Muswellbrook RSL. The AGM is usually held in conjunction with the monthly breakfast, but due to Covid-19 restriction, was held as a stand alone event.

Those attending were presented with reports from President Mike Kelly, Treasurer Lorraine Skinner, and Wayne Toms Member Services Manager.

Despite the challenges of Covid-19, the Chamber has seen solid growth and continued to represent and support members and the Muswellbrook community.

Over the last FY we have seen a 32% growth in new members with membership now over 200.

To assist members manage the impacts of Covid-19, the Chamber ran a number of support programs throughout the year, including, Inter-business Support Program and Mental Health Training for Managers. In addition, the Chamber also provided Free Digital Workshops and as part of Small Business Month produced a Go Local First video campaign promoting buying and supporting local.

Events throughout the year included the Muswellbrook Business Awards and the inaugural Upper Hunter Inspirations Conference.

To conclude the meeting, and in Accordance with the constitution, all Board positions were declared vacant and elections for 2021/2022 were carried out. There were eight (8) Board positions available, and eight (8) nominations received. With there being no further candidates, there was no need for a ballot and those nominated were duly elected.

MEMBERSHIP RENEWAL

Muswellbrook Chamber of Commerce and Industry membership renewals are now due!

The Muswellbrook Chamber of Commerce and Industry has a proud reputation as one of the strongest and proactive Chambers in the region. This is in part thanks to the strong support of its members. With many issues effecting the region, the Chamber will need your ongoing support to ensure that it can continue to represent you and also continue to provide a range of programs and services to support you and your business.

If any members are experiencing any financial hardship as a result of the latest Covid-19 restrictions, please contact us about your membership renewal

OUR MISSION

'To represent, promote and encourage business enterprise in Muswellbrook and its districts'.

As a result of the current Public Health Orders, Lockdowns, and Restrictions surrounding Covid-19, the Muswellbrook Chamber of Commerce and Industry, on advice from the event's Organising Committee, has made the difficult decision to cancel this year's event that was scheduled for 10th, 11th, 12th September 2021.

The decision to cancel this year's event has not been made lightly, but given the Muster relies on stakeholders and suppliers from right across NSW and expected to attract visitors from Sydney, around NSW and interstate, holding a large-scale event is not possible at this time.

Work is already underway to secure a new date in 2022 and hope to make an announcement in the coming weeks.

The Chamber wishes to thank our sponsors for their understanding and ongoing support for this event through these difficult times.

OUR MISSION

'To represent, promote and encourage business enterprise in Muswellbrook and its districts'

Amongst the challengers of Covid-19 it is nice to bring you a little positive news.

The Chamber has been announced as a finalist in 2021 Hunter Business Awards, in the 'Outstanding Local Chamber' category.

These Awards are Australia's most prestigious Regional Business Awards. For more than 40 years, they have recognised and rewarded excellence, achievement and leadership by businesses and individuals in the Hunter region.

It is hoped that the winners will be announced in Newcastle at a Gala Dinner Awards night late in October.

Small Business Month

1 - 31 October 2021

The Chamber preparing for
Small Business Month

To celebrate Small Business Month in October, the chamber is planning to stage a series of workshops and seminars across the month. This would also be supported with a buy local campaign titled 'Go Local First'.

Some of the workshops targeted at supporting small businesses include:

- Digital & Social Media
- Collaboration & Performance
- Innovation
- Customer Relationships & Service
- Mental Health
- Accounting and Taxation

Further information on Federal Government support payments can be accessed at <https://www.servicesaustralia.gov.au/individuals/services/centrelink/covid-19-disaster-payment>

OUR MISSION

'To represent, promote and encourage business enterprise in Muswellbrook and its districts'.

BHP

Mt Arthur Coal delivers 5000 tests to keep COVID-19 outside the gates.

Mt Arthur Coal celebrates a milestone this week with 5000 Rapid Antigen Tests being delivered at their site COVID-19 testing clinic.

With NSW in lockdown and COVID-19 cases seeding outside of Greater Sydney into the Hunter Region, Mt Arthur Coal moved quickly to implement site based COVID-19 testing. In a first for site based testing across the BHP coal assets the team stood up a walk in Rapid Antigen Testing clinic, with gate access blocks placed on employee and contractor profiles who reside in a Local Government Area with known COVID-19 community exposure.

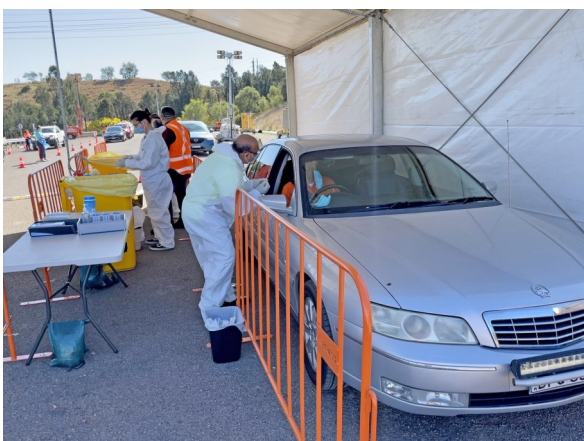

The Rapid Antigen Test is much less invasive than the regular PCR testing and can return a negative COVID-19 result in under 15 minutes, allowing gate blocks to be lifted. Since inception the clinic has seen an average of 400 employees and contractors who reside in an area with known COVID-19 exposure, tested daily.

If more exposure sites are identified this control can be scaled, with a drive through clinic setup and tested which would enable Rapid Antigen Testing of every Mt Arthur Coal employee prior to shift, if local exposure deemed this level of control necessary.

Due to Mt Arthur Coal's ability to rapidly implement high level controls including waste water sampling, contact tracing, Rapid Antigen Testing and PCR Testing onsite, the team have confidence that the site is safe to remain operational, even if workplace exposure to COVID-19 was to occur.

"I'm really proud of the team for the way they have stood up the COVID controls in just a matter of weeks," said Mt Arthur Coals General Manager, Adam Lancey.

"I can't thank the team enough for their work to stand up and comply with these testing controls to keep our people and their families safe," he said.

NSW 2021 Local Government Elections Update

Voting as a non-resident in a ward or council area for the NSW 2021 Local Government Elections - 4 December 2021

Did you know that you may be eligible to vote as a non-resident in a council area if you are:

- an owner of rateable land in the ward or council area
- an occupier or rate-paying lessee of rateable land in the ward or council area.

Non-residential rolls are prepared and certified by each council's general manager, and the NSW Electoral Commissioner must confirm that the voters listed are eligible for enrolment on the non-residential roll. However, individual applicants are responsible for checking that they are eligible for inclusion in the non-residential roll for a council. The [NSW Electoral Commission](#) recommends that you seek independent advice if you are unsure about whether you are eligible to apply.

Applications for inclusion on the non-residential roll of Muswellbrook Shire Council can be made by completing an application form on Council's [website](#) at www.muswellbrook.nsw.gov.au

Completed applications must be received by Council by 5:00pm, Monday 25 October 2021.

For further information please contact Council by phoning 6549 3700 or emailing council@muswellbrook.nsw.gov.au

Complimentary 1:1 Remote Working Session

With lockdowns taking its toll on businesses and forcing those that can still operate in some capacity to “work from home”, many are struggling with the right tools and services to make remote working as seamless as possible.

As a technology company with a distributed and remote workforce, we know first-hand of the challenges associated with Remote Working and some of the tools that can assist.

To help Hunter Valley businesses and Chamber Members, we’re offering cost and obligation free virtual sessions to demonstrate what has worked for us and hopefully offer some tips and tricks.

Have you got a question on “the best” video conference platform or “the easiest” platform for working with a team remotely? Consider signing up for one of our sessions.

Spaces are limited. Book a session with the below link or call our office on 1300 879 226

Button Book a Session

Link <https://calendly.com/acorpcomputers/30min>

The Chamber would like to thank MCCI member Alex Slade from acorp for his generous offer and for thinking of others in these challenging times.

**Supporting Local Hunter Valley Businesses

**SUPPORT LOCAL NOW TO KEEP THE
HUNTER STRONG IN THE FUTURE! - Thanks
to Glencore**

Supporting Local Hunter Valley Businesses with FREE ON AIR PROMOTION

Power FM and 2NM have partnered with Glencore, to expand on an intensive campaign to drive our local businesses' patronage by encouraging listeners to Shop Local.

'Store with a door' highlights the current challenges local businesses face, and encourages listeners to think about where they shop to ensure that our amazing Hunter Valley locals are supported and survive this second lockdown!

'Store with a door' will be fronted by the Power FM Breakfast duo Dana and Dylan, and 2NM Breakfast host Andrew 'The Bear' Reynolds, and supported by all Announcers on the Power FM & 2NM team.

The campaign will also include positive messaging - Support local now to keep the Hunter strong in the future!

We know what you're going through, so **Getting your business name on the radio is FREE**, plus we have heavily subsidized campaigns available to ANY local business in the Hunter Valley. That way, your customers will know you're open and trading.

We can help educate your customers on how your business will operate in the current climate so they now HOW and WHEN they can buy off you.

We are also offering all local businesses a **FREE** marketing health check, which includes professional advice on how to best market your business! Get in touch today by clicking the enquire button below

SINGLETON
◆ Business Chamber ◆

The Hunter Coal Festival has been postponed until next year due to concerns about the ongoing Covid-19 situation.

Organised by the Singleton Business Chamber, the festival was scheduled for October/November this year but will now be held in October 2022.

Confirmed venues and dates for the festival's major events in 2022 are:

Friday, October 21, 2022 - Careers and Innovation Expo, TAFE NSW Muswellbrook campus

Friday, October 28, 2022 - Mining Leaders Lunch, Singleton Civic Centre

Saturday, October 29, 2022 – Singleton Community Day, Singleton Showground

Singleton Business Chamber Sue Gilroy said the decision to postpone the festival again was difficult but necessary.

“We are sorry to have to postpone the events again but after much consultation with sponsors and other partners, we decided the safest course of action is to delay the festival events until the Covid situation is under better control,” Ms Gilroy said.

“The current unpredictable Covid situation posed a very real risk to the events. Future snap lockdowns could have forced cancellation weeks or days before the events were to take place.

“Even before the current Hunter lockdown, Covid regulations in place would have also greatly limited the scope of festival events.”

Organisers also opted to move the festival to October instead of early 2022 to give more time for Covid mitigation measures to be put in place to allow a bigger and better festival.

“Essentially, we decided it was better to be ‘safe than sorry again’,” Ms Gilroy said.

“Planning and organisation for the festival was well underway but all of the plans are transferrable to 2022,” Ms Gilroy said. “And we will continue to work to make the 2022 festival bigger and better than ever.”
