## ANNUAL GENERAL MEETING 2022

## PRESIDENTS REPORT TO MEMBERS 2021-2022

Dear Members,

On behalf of the Board of Directors, I am pleased to report on the Chamber's activities and achievements for the year ending 30th June, 2022

The Covid-19 pandemic continues to disrupt the workforces, profitability and supply chains of businesses large & small. Despite the negative impact of the COVID-19 Pandemic, our local economy has been somewhat insulated due to our reliance on essential service industries and an increasing commitment to local procurement and employment. Through the last financial year, we have also seen the increasing impacts of inflation and rising interest rates. The Chamber remains mindful of the impacts on our businesses and continues to provide services and support through Business Development Workshops, Mentoring Services, Buy Local Campaigns, Networking opportunities, Monthly Breakfasts and Monthly Newsletters.

Our Treasurers Report confirms that the Chamber is in a solid financial position. We have maintained a membership of over 200 businesses through a very difficult year. We are also grateful for the support of many sponsors who allow us to run programs and events for member's benefit. All our activities are fully funded and we hold reserves to ensure our sustainability.

Through the year we have maintained a strong presence in the local economy and staged some very successful events. Covid-19 restrictions caused the cancellation of three (3) of our Monthly Breakfasts. We still however had capacity attendances at eight (8) Breakfasts with presentations on a wide range of topics. These included –

- The Melt Innovation Hub
- Tourism
- Upper Hunter Regional Museum
- Hunter Net & Defence Ready Opportunities
- MCCI Year Ahead update
- Small Business Month
- Community & NFP Organisations
- Federal Election Meet the Candidates
- Mining Industry Economic Update

*Continued over.....*

## OUR MISSION

**'To represent, promote and encourage business enterprise in Muswellbrook and its districts'.**

*Continued...*

The Chamber continues to support economic diversity and collaboration between all industry sectors. The Chamber remains focused on the immediate and longer term need of members. Our Mission - "To represent, promote and encourage business enterprise in Muswellbrook and its Districts", commits us to our continued program of events and services. It also, drives our involvement in various private and public sector committees and focus groups. In the year ahead, we will continue to provide information on significant major developments planned for our local economy. These include –

- The Muswellbrook Bypass construction planned for 2022 to 2025.
- The Upgrades at Liddell & Bayswater Power Stations.
- The Closure of Liddell Power Station scheduled for 2023 and the emergence of potential new alternative industries on that site.
- The closure of Bayswater Power Station in 2035.
- The development of the Maxwell underground mine.
- The determination of the continuation of the Mt. Pleasant mine beyond 2026.
- Various wind, solar and pumped-hydro projects.
- The expansion of the UON facilities at the Tertiary Education Centre.
- Muswellbrook Shire Council's range of Town Centre projects like the Performing Arts and Conference Centre.
- The Upper Hunter Mining Dialogue Forums & Procurement Events.
- Innovative Projects which bring diversity & sustainability to our Local Economy.

On behalf of all members, I sincerely thank my fellow volunteer Directors for their continuing support. All have taken time out of their working day to attend to Chamber matters and to support Chamber Programs.

A special thanks to our Member Services Manager, Wayne Toms, who continues to bring strength to the Chambers capacity to serve and increase our engagement with members. Wayne's work is done with great alacrity and passion. This is particularly evident in planning for the Great Cattle Dog Muster in September this year.

In conclusion, I wish all members the best for a successful 2022-2023 trading year. The Chamber approaches the new Financial Year with confidence and commitment and calls on all members to do the same. Let's all Keep it Local and Keep it Real.

Yours sincerely,

Mike Kelly

# Locals Supporting Locals

Have you registered your business to participate in the 'We Live Here' card program?

The "We LIVE Here" local investment cards work like an EFTPOS gift card once loaded, and are only be able to be used with participating businesses, ensuring local expenditure and economic development for the region.

This program isn't just for retailers. Local businesses from health professionals, B2B, mechanics and more have all signed up to the program.

The cards can be loaded with funds from \$20 to \$1000, can only be loaded once (no top ups) but can be used multiple times or spent all at once. They expire after three years.

Purchasers can check card balances online or by phone, and registered cards can be replaced if lost.

Register your business online: <https://www.whyleavetown.com/register>

**The more participating businesses we have, the greater choice individuals will have in how to use the funds.**
